LUXURY ELECTRIC FIRES

2023

welcome to solution fires

Welcome to **solution fires**, a new generation of highly efficient, authentic and stylish electric fires. The focus of your living space, these fires have been designed and manufactured with optimal controllability of heat, light and sound as the critical elements. Controllable from your handset, via Alexa or through the app on your smart phone or watch, you can customise your fireplace to suit your individual taste. No electric fire, currently on the market, has the level of product features or attention to detail that solution fires have as standard, supported by a high level of genuine customer service. For more information about our products, please visit our website www.solutionfires.co.uk.

- Choice of three flickering fuel beds:
 - ▶ LUX Premium Real Wood Log Set **NEW**
 - ▶ LUX Woodland Effect Logs
 - ▶ LUX Silver Birch Effect Logs
- Fuel bed can be customised by adding your own decorative pieces
- Seven preset illumination themes & one custom setting
- Nine independent flame colours with adjustable brightness
- Nine independent fuel bed colours with adjustable brightness
- Nine independent downlight colours with pulse effect
- Ability to independently turn off flame, fuel bed or downlight illumination
- Crackling fire audio with 6 volume settings

Energy Efficiency & Optional Extras

- **Running costs from only 3p per hour***
- Fully ErP compliant & low energy LED flame effect
- Optional Anti Reflective Glass available
- Two optional Scene Lighting kits with 10 colour options
- Optional 5 year warranty for added peace of mind

Installation & Controls

- 'One box solution' for front, corner or panoramic views
- Plugs into a standard 13 amp 3 pin socket
- Thermostatically controlled with ultra quiet fan heater
- Seven day, twice daily, program settings
- Supplied with hand held remote control as standard
- App control for most smart phones, tablets & watches
- Alexa voice control

remote control

All solution fires are supplied with a **hand held remote control as standard**. This handset allows you to control the whole range of audio and visual features specific to individual models.

the solution app

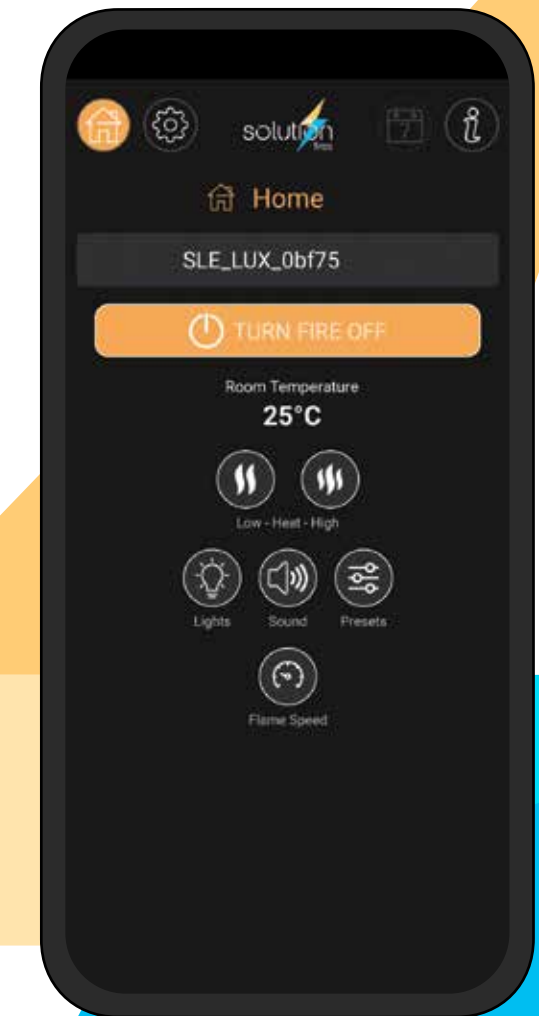

By downloading this industry leading app on Android and iOS smart phones and tablets you will be able to;

.....
Control a whole range of audio and visual features specific to individual models.
.....

Control the fire even if you're away from home
.....

Control the fire via smart watches & Alexa
.....

Set 7 day programmer
.....

Note: Solution App is only available for the LUX75, 100, 125, 150, 175 and 200 fires.

setting the ambient mood

The visually stunning **LUX itronic** technology not only provides one of the most realistic flame effects on the market but also gives you, the owner, incredible versatility. You can utilise the seven preset options as illustrated below or customise the fire to suit your individual taste.

— SPIRIT —

— BLAZE —

— INFERNO —

— SOLAR —

— MAGMA —

LUX scene lighting

We have introduced our popular scene lighting feature to the solution fires range. Powered directly from the fire and independently controlled via the remote control and solution app, it's an easy and efficient way to add another visual dimension to your your suite, media wall or bespoke installation.

Choose from two options:

Scene Light Kit (2x 1000mm + 4x 250mm + 2x 500mm LED Strips)

Scene Spot Light Kit (2x 1000mm + 4x 250mm LED Strips + 2x LED Spot Lights)

front, corner or panoramic options

Our clever 'one box solution' makes ordering your fire so simple. The **e**tronic 800, 1500 & the **LUX**75, 100, 125, 150, 175 and 200 fires can be installed as either front facing, corner (left or right) or panoramic appliances.

LUX Solstice Fire Basket

want to create a **2.5 - 4 meter fire?**

Solution Fires have cleverly designed the **LUX** range of cassette fires so that they can be sat side by side to create that extra wide wow factor fire*

For an enhanced visual appearance, we can provide a single front glass screen (max 3m) that removes the need for a central joint.

**Fires order as pairs will come with special factory fitted side panels. A join in the rear flame screen will always be visible along with a gap between the two flame effects. Separate remote control handsets will control each fire.*

The following widths of fires can be achieved using the combination of fires detailed below:

2 x LUX 125 = 2.5m Fire

2 x LUX 150 = 3m Fire

2 x LUX 175 = 3.5m Fire

2 x LUX 200 = 4m Fire

Solution fires can offer an impressive range of luxury wall mounted and floor standing suites. Designed to compliment the eTronic 800, 1500 & LUX 75, 100, 125 & 150 electric fires, these modular suites are highly versatile fitting simply to a flat wall. Create your own perfect setting by mixing and matching different design elements and finishes.

completely tailored service

DIY DECORATION

Suites can be supplied "simply" primer ready if you wish to paint or wallpaper yourself. Chimney Breasts are only available in a primed finish, come flat packed and certain fixing holes will require filling after installation.

MADE TO MEASURE

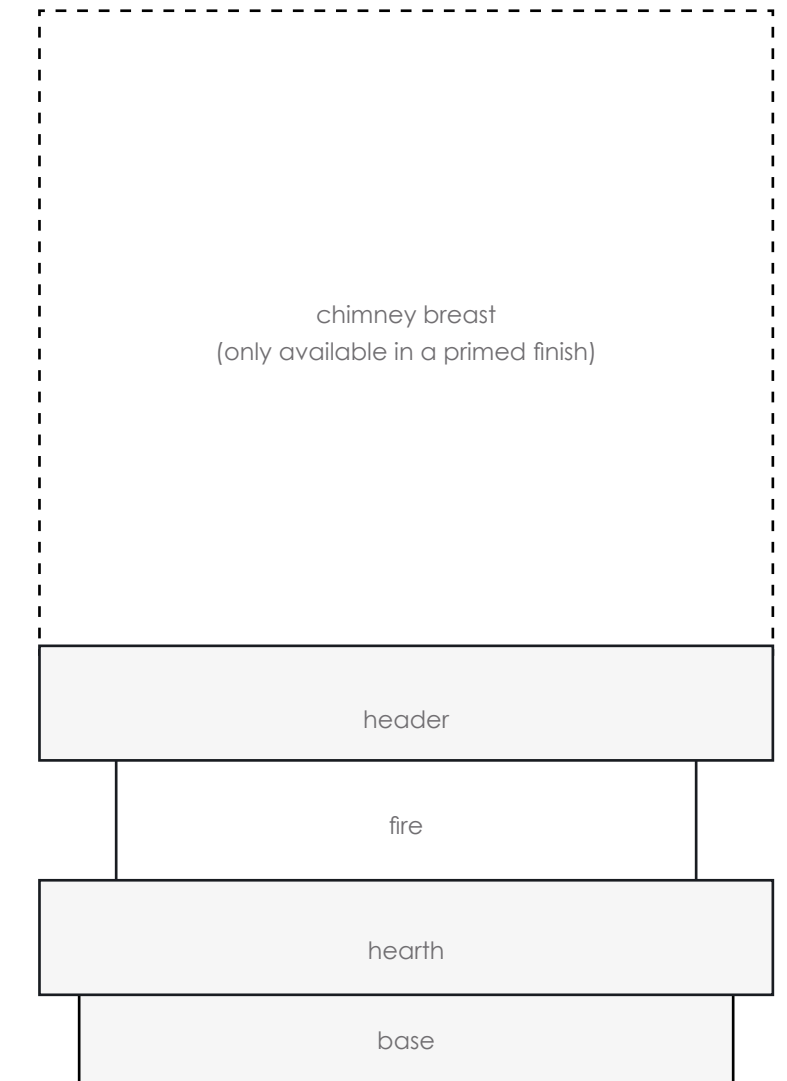

All of our suites can be tailor made to your size requirements.

TV CUT OUT

Need a TV cut out in your chimney breast? No problem, just advise us of the cut out size and its position.

SLE40i
Coal or Log Effect

the versatile **SLE40i Inset Fire**

Suitable for any room, whether traditional or contemporary, incorporating our realistic eTronic 3D flame technology, which brings a comforting warmth to any home.

A great choice for people who prefer electric to the traditional 16" gas fire – the 40i's versatility and low electric usage allows it to be installed almost anywhere. The **SLE40i** is ideal for use in apartments, flats and houses without chimneys/flues.

Choice of over 40 trim designs and colours

the solution warranty

All solution fires come with a standard 1 year parts warranty extendable to 2 years on registration. Any fire purchased outside of our authorised dealer network will carry a 1 year non-extendable warranty.

To activate your extended warranty, please register your fire online at www.solutionfires.co.uk/warranty within one month of the purchase date.

Any fires registered after this period will carry a 1 year non-extendable warranty. Please visit our website for full terms and conditions and to upgrade to our 5 year platinum warranty.

where to buy

The solution fires range is distributed via our authorised dealer network. These independent retailers are able to give you advice on all aspects of your fireplace requirements from quotations to technical and installation services.

For details of your nearest solution fires retailer, please visit our website at

www.solutionfires.co.uk

Solution Fires is a division of **Capital Fireplaces Ltd**
